SOCIAL CREDIT ASSOCIATION ANNUAL MEETING HELD SAT.

About twenty members of the Stony Plain Social Credit Constituency Association attended the organization's annual meeting in the Drayton Valley Legion Hall Saturday afternoon.

The usual practice of electing officers was not followed because of uncertainty as to boundaries which will be reviewed at the next session of the Legislature. Proposals by the Electoral Boundaries Commission, and requests from various areas, could result in changes that would affect the association.

It was pointed out that people in the Darwell and Onoway areas not represented at the meeting, have been placed in Stony Plain Constituency by the Commission and should be given the opportunity to have a voice in association affairs.

The meeting decided accordingly, to re-elect all present members of the executive and to meet again for re-organization purposes as soon as possible after the new boundaries have been established.

Principal speaker for the afternoon was Hon. Jim Henderson, Minister of Health. Mr. Henderson, who took over the portfolio in the spring, arrived on the health scene at about the same time as the big Medicare undertaking.

Mr. Henderson explained the background of Medicare arrangements with the Federal Govemment and the necessity of a compulsory plan to provide residents of the province with a total package health plan. After July 1st, Mr. Henderson said, Albertans will be served with the only total plan covering medical, drug and hospital costs in Canada.

A good deal of interest in the plan was shown by the meeting and Mr. Henderson answered a number of questions.

He pointed out that critics of the $90 million program have claimed administration costs as high as 30 percent. This, he said, is not so and administration costs are expected to be more likely in the neighborhood of six percent.

Stony Plain M.L.A. Ralph Jespersen, as well as introducing speakers, was called on himself and reviewed events of the past year. The province, he said, is looking this year at a billion dollar budget, but even so is faced with the necessity of cutting back in many areas to restrict expenditures.

Mr. Jespersen noted his interest in working with groups dedicated to advancing the party and the province. One such group, he said, was the Constituency Young People's Association in introducing a director of the group, Dan Ibsen of Spruce Grove.

The Stony Plain group, Mr. Ibsen said, has about twenty members at the present time and is in the process of revitalizing that should swell the membership

Vastly different from the familiar walking beam pumps throughout the Pembina Oilfield, is the new long-stroke pumper shown here that was erected during the past two weeks at a Texaco well site north-east of Cynthia.

Long-Stroke Pump Now Operating in Pembina Oilfield

A new long-stroke pumping unit set up during the past two weeks by Oilwell Division of United States Steel Corporation is attracting a great deal of interest from oilmen in the Pembina field.

Second of its kind in Canada, the pump is in operation at a Texaco well four miles north-east of Cynthia. A radical departure from the familiar walking beam pump, the 50 ft. structure with a vertical travelling counter-weight is an entirely new addition to the oil field landscape.

The first Canadian pump of its type is operating at a Mobil site in southern Saskatchewan and four are in operation in California. Another is scheduled for installation next week for Gulf Oil in the Slave Lake field.

Mr. Doug Frame of Calgary, Oilwell Mechanical Engineer who was in charge of the installation at Cynthia, accompanied Western Review publisher Ron Smith, local Oilwell manager Harold Gerke and Oilwell serviceman John Pewarchuk of Edmonton on a visit to the site Saturday morning.

The unit operates very quietly and first view of the large square counter-balance moving up and down the 50 foot structure is something of a surprise for anyone anticipating a pump along conventional lines. The unit is producing 1,000 barrels a day but is not at full production.

The 34-foot stroke unit, patented by Oilwell Division of U.S. Steel, is the result of six years engineering and design work.

Youth Saves Home With Quick Action

On January 17th at 6:05 p.m. the Entwistle Fire Department responded to a fire call at the home of Don Towne of Moon Lake.

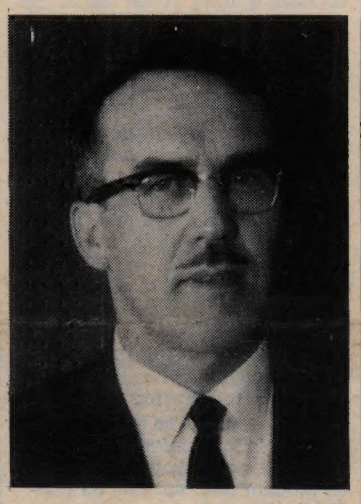
On arrival they found that Timmy Towne, 12 years of age, had dragged a large ladder to the house and climbed up to the roof and shovelled snow on the burning portion. By his prompt action in extinguishing the flames he saved the home. He also got all the children out as the parents were not at home.

The fire chief inspected the building for the possibility of a further outbreak before returning to Entwistle.

Shown here at the Stony Plain Social Credit Association meeting in Drayton Valley Saturday are, from the left, M.L.A. Ralph Jespersen; Tom Johnson, Association President; Stuart Ibsen, Spruce Grove, Secretary-Treasurer; and Walter Kuhl, Spruce Grove, former M.P. for the Jasper-Edson riding.

TOM JOHNSON NAMED MAYOR

At last Thursday's regular meeting of Town Council, Mr. Thomas W.D. Johnson was elected mayor by council members in accordance with the requirements of the Municipal Government Act.



Mayor Tom Johnson

Section 49 of the Act states that when necessary, members of Council may elect one of their members to serve as mayor. A by-election, if requested by a town council, may be authorized by an order in council of the Provincial Cabinet.

Council felt that a by-election was unnecessary in electing Mr. Johnson to fill the vacancy created by the death of former Mayor Howard W. Pickup on Sunday, January 18th.

Mr. Johnson's election as Mayor received the unanimous support of Council and did the election of R.B. Smith as Deputy-Mayor.

Mr. Johnson will serve as Mayor until the civic election in October when the positions of mayor and retiring councillors may be contested.

Council, meeting for the first time since the passing of Mr. Pickup, observed a period of silence in his memory and heard messages of condolences read by the Secretary-Treasurer.

Conservatives to Meet Monday

Town and area residents are reminded of the Progressive Conservative organization meeting for the new Pigeon Lake Constituency No. 23 to be held in the Elks Hall in Drayton Valley at 8:00 p.m. on Monday, February 2nd.

Included on the agenda will be the election of associative officers for the year and consideration of a constitution.

Anyone is welcome to attend and P.C. memberships will be available at the door.

FLOW LINE, SEWER, CAUSE PROBLEMS

Town crews put in several busy sessions last week caused by the rupture of a production flow line in one area of town, while a blocked sewer main created problems on the other side of town.

Firemen rushed to the scene of the pipe line break on Industrial Road adjacent to the J & A Trucking yard Thursday morning. The line blew out of the ground in several places, but the flow was shut off before a fire hazard was created.

During repairs a water line was broken and the industrial area was without water Thursday.

The plugged sewer main in the residential area on 47th Street caused considerable damage to a residence when the line backed up and flooded the basement.

F.G.A. Meeting Thursday, 29th

Members of the Pembina Oilfield Fish and Game Association are reminded of the club's annual meeting to be held Thursday, January 29th in the Goliad Hall at 8:00 p.m.

The annual meeting, which sets the pattern for the ensuing year, is most important and should receive the attention of a large majority of club members.

Receive Donor Awards

Mr. Henry Cuthbert (R) Manager of the Edmonton Branch of the Canadian Red Cross Society, presents certificates for twenty blood donations to Mrs. D. Rand and Bob Doig at last week's meeting of the Drayton Valley Red Cross Branch. Mrs. C. Chenery, also qualified for the certificate, was not able to be present for the meeting.

Long-Stroke Pump

(Cont. from Page 1)

notes that the unit provides the longest stroke and lowest average polished rod velocity of any unit presently available. It is capable of lifting more fluid and suffers fewer rod failures due to reduction in cycles. Lower power and operating costs and less strain imposed on all components of the pumping system, are cited as savings accomplished by operators using the unit.

Many types of long-stroke units have been designed in the past but apparently only a few have been relatively efficient and econonically successful.

The new unit introduces a radically new approach to well pumping through its patented stroke reversing system. Pumping action is accomplished by rotating a drum at the top of he tower first in one direction, then the other, by switching motor leads. Drum action winds up a bridle attached to polished rod while lowering bridle attached to counterweight. Basically it takes advantage of a natural pendulum motion.

Heart of the new unit is the carefully engineered and designed wire line drum. Generally it is a double helix-shaped track wide enough to accommodate the five wirelines on each side of the bridles.

Drum action winds up the set of wires connected to the polished rod while lowering the other bridle connected to the counterweight. The counterweight tank serves the same purpose as that on a beam unit and can be precisely adjusted.

Development of the pump, Mr. Frame noted, was spurred by the industry's long-recognized need for a unit capable of producing more fluid with less reciprocation, especially in deep holes or where large volumes were to be moved.

considerably.

The organization has an interesting schedule of meetings planned on topics of broad interest that will get the young members more involved in affairs of the province.

Mr. Walter Kuhl, Social Credit Member of Parliament for Jasper-Edson from 1935 to 1949, also spoke and outlined plans for reactivating Social Credit on the Federal scene.

He said meetings have already been held and memberships being accepted in the Social Credit Rally which will align itself with Mr. Real Caouette's Quebec group in an effort to get a firm foothold in Ottawa.

A leadership convention for the Social Credit Rally will be held in Ottawa in August. Mr. Kuhl stated that he was interested in seeking re-election in the federal Wetaskiwin Constituency in the next election.

ENTWISTLE NEWS

The Entwistle Elks held a whist drive on January 17th. Winners were: Hubert Forecast and Mrs. Davies; 2nd, Bill Davies and Olive Goebel; Con., Lawrence Anderson and Margaret Ostertag. The travelling prizes were won by Lawrence Anderson and Shirley Sullivan. The next whist drive will be February 7th.

Two teams from the O.O.R.P. are curling in the bonspiel being held at Seba on the weekend of the 24th.

Mr. and Mrs. Marion Sr. celebrated their 50th wedding anniversary on January 17th with a supper for their relatives, friends and neighbors, which amounted to about 60 people. A platform rocker was presented by the family and a blender by most of the others. There were also two lovely bouquets of flowers, one from the Village of Entwistle and the other from Starlings Store. Mr. and Mrs. Marion thanked all the people for the lovely gifts and for the beautiful flowers.

Several of our Entwistle curlers are doing their curling at Evansburg this season. They all seem to be enjoying it and we hope this will help to bind these two communities closer together.

PARKCOURT NEWS

During the cold weather the Paul Duro families moved into their new home. They are now working hard on the plastering and painting. Many minor inconveniences to heating systems etc. were reported during the cold spell but we hope that is all over now.

Miss Cathy Greenwood had the misfortune to break her arm while helping to unload bales and will be wearing a cast for awhile.

Sympathy of the district is extended to Mr. Grapentine on the passing of Mrs. Grapentine of the Park Court district.

The regular meeting of the Gay Gatherers was held a week later than usual at the home of Mrs. Carol Greenwood. The new president for the coming year is Mrs. Rose Weigle and the new secretary is Mrs. Lucy Tuftin. It was decided to circulate the travelling basket this month and each member was to entertain when she received the basket from her neighbor. Mrs. Rose Weigle won the hostess prize.

A good many people in the district are going fishing at Chip Lake these nice mild days and bringing home good tasty fish.

Tax Receipts Available

Persons who contributed to the "Miles for Millions" fund by sponsoring walkers and who require income tax receipts are asked to contact members of the local committee. Names and amounts will be forwarded to the headquarters of the recipient organization, which will issue receipts.

Members of the Drayton Valley committee are Father Lynch, W. Johanneson, R. Doig, F. Schipper and R. Smith.

Plan Improvements At Pembina Park

Four tourist recreation campsites in Alberta have been slated for redevelopment in 1969-70.

Honourable Raymond A. Speaker, Chairman of the Provincial Human Resources Development Authority, and Honourable Jean Marchand, Federal Minister of Regional Economic Expansion, have announced approval of an expenditure of $181,000 under the Federal ARDA program with which to perform the work.

At Pembina River Provincial Park east of Entwistle, development of campgrounds and a tenting area as well as provision of shelters and a water and sewer system are planned. At Wabamun Lake Provincial Park provision of additional campground and trailer court facilities and beach parking lot construction is planned.

Improvements are also planned at Long Lake Provincial Park south of Boyle and at Sir Winston Churchill Park near Lac La Biche.

According to officials, these HRDA-ARDA projects will not only develop the natural and physical resources of these areas, but the labour needed for park maintenance and operation will provide a much needed supplementary income to persons in the areas involved. The Provincial Parks Division of the Department of Lands and Forests will be responsible for development and operation of these recreation facilities.

It takes about 2,000 bolts to hold a car together and one nut to scatter them all over the highway.

Blind People Are People

Blind Canadians wish to be accepted, not rejected; understood, not pitied. Blind people enjoy the same things as their sighted friends.

Hockey is followed with a great deal of interest and many blind persons are active in bowling, curling and other participant sports.

Blind Canadians are active members of service clubs. They take on committee work along with the sighted and contribute to the community program.

They take an interest in politics and vote in elections. Some have been elected to Parliament. More than 2,000 blind people are employed and many own their own homes.

Blind people all across Canada play their role in society. They don't ask for your sympathy -- only your understanding and occasional help.

During White Cane Week, February 1st to 8th we should try to get to know the blind better. Learn about their problems and we will discover they are not much different than our own, that's because blind people are people too.

Start With Motorists

Where should a sincere start be made on pollution control? Almost everyone looks immediately at industry.

We don't go along. The first persons to feel the cost of pollution control should be the millions of north American motorists. If they were required by law to install fume consuming devices on their vehicles they would become overnight anti-pollutionists.

It's not hard to imagine their outrage if they were required to pay and industry was allowed to continue despoiling the earth. It shouldn't be very long before the awakened public would begin making very loud noises and control measures would be forced in all other areas.

The move wouldn't be very popular but it would certainly serve the purpose of getting down to the nitty-gritty of the dirty pollution problem.

Wabamun News

Mrs. Larry Burton had a letter from Mrs. J. McCubbin of Pakistan recently, and she wished to be remembered to all of her friends here in the district.

Mrs. McCubbin used to supervise the pre-school shildren twice a week here, and Mr. McCubbin used to work for the Calgary Power.

The Woods family have moved to the Calgary Power site on the south side of the lake. I am sorry I omitted their name last week when mentioning the ones that had moved over there.

A welcome goes out to the Latchford family who have moved into the village.

Sorry to hear that Mr. Pete Daniels is not well, we do hope you will soon feel better Pete.

Mr. Wes. Klem is coming along nicely which I am glad to report.

The Royal Purple and the Elks are holding their bingo parties every 2nd and 4th Wednesday evenings in the Gainford Hall. So come on out folds and have a few games of bingo. Everyone is welcome.

Mr. and Mrs. D. M. Roberts had their grandson and his wife, Mr. and Mrs. Duane McCullough of Edmonton visiting the other day on their way home from Jasper.

. Oh, Oh, I hear that there are some skunks in a certain area around here, so be sure that you do not leave your door open, or you might meet up with one when you least expect to.

Little boy, waking up at 1:00 a.m.: "Mommy, tell me a story so I can go back to sleep."

Mother: "Just stay awake awhile. Your father will be home soon, then you may listen to the one he will tell both of us."

SUMMARY

Receipts were higher under more favorable weather conditions. Offerings were mostly replacement classes in the 550 to 750 lb. range. Slaughter steers and cows made up most of the butcher sales. Trade was active under a good demand for all classes except butcher cows. Butcher steers advanced $1.50; Butcher heifers were 50 to 75¢ higher, Bulls 50¢ higher and cows 50¢ to $1 lower. Veal and butcher calves $1 to $2 higher.

Slaughter Cattle and Calves--The weeks slaughter trade opened on a strong basis at higher prices with buyers being less selective as to weight and condition. Butcher steers opened 50¢ higher at 30.25 and advanced steadily to a practical top of 31.25 with sales to 31.40 for choice handyweights in closing sales. Butcher heifers of desireable weight and condition were generally scarce throughout and sold unevenly 50 to 75¢ higher. There were a few sales to 28.50 for choice lighter weights (750 to 850 lbs.) An increased offering of cows met with some pressure and butcher prices worked 50¢ lower for good kinds while medium and lower grades were a full $1 off as the week closed. Bulls were in good demand with the odd sale over 26. Veal calves continue scarce with a few sales to 47.50.

Replacement Cattle & Calves-Prices on all replacement classes advanced in line with the higher slaughter quotations. Heavier feeder steers ranged up to $2 higher. FLASHING LIGHTS
SEBA BEACH

The following letter was received from Mr. L.H. McManus of the Department of Highways regarding a flashing light at Seba Beach:

Dear Sir:

Re: Flashing Light-School Crosswalk Summer Village of Seba Beach.

"On October 31st, Mr. L. Miller, Councillor and Mr. R.A. Bailey, Councillor and Chairman of the School Bus Committee of your County, interviewed me in my office along with Mr. Ralph A. Jespersen, M.L.A.

We discussed several items and at the time, I promised to advise the County with respect to the possibility of installing a flashing light on Highway 31 at the school crossing in Seba Beach. The Traffic Planning Engineer advises that he is not in favor of a school crossing light at this location as the high traffic periods on the highway would occur during July and August and possibly on weekends during the rest of the season when school is not in session. At the time representatives were here, we suggested a school patrol and I feel that this would be the best solution. I also promised to advise the approximate cost of a flashing light installation. It appears that such a set up including strain poles, fixtures, etc., would cost approximately $1,000. If a transformer and extra poles were required, they would be additional A clock type controller would cost approximately $80.

I trust that this is the information which your require".

Yours truly,

It was moved and carried that a committee consisting of Messrs George Mann, R. Zander and Don Gylander be delegated to study the feasibility of a crosswalk and flashing light at the Seba Beach School and to submit a recommendation to the School Committee.

PROPOSED SITE DRAYTON VALLEY

The following letter was received from the County Solicitors regarding the proposed school site in Drayton Valley:

Dear Sirs:

Re: Purchase of School Land near Drayton Valley.

"We simply wish to confirm our telephone conversation of January 9th.

We understand that the 500 feet immediately east of the proposed school site may at some future date be required for your purposes.

We have been in touch with Mr. Wayne Gordon, of the Planning Commission, and Mr. Walder White, the solicitor for the Town of Drayton Valley, in this regard. We have been advised by the Planning Commission that they are prepared to approve an agreement between the parties, to the following effect: 1. That the County of Parkland be granted the right of first refusal to purchase the 500 feet immediately to the east of the subject school site. This means that should Mr. Beckett receive an offer to purchase this land, which is acceptable to him, he will, before accepting this offer, contact the County of Parkland and advise them of the offer and give them the right to purchase the property on the same terms and conditions as set out in the offer made to him. 2. A restrictive covenant will be placed on this additional 500 ft. strip of land, to the effect that so long as it remains in the possession of Mr. Beckett, it will only be used for agricultural purposes, and no buildings will be constructed thereon.

If an agreement can be worked out that includes the subject terms, it appears that the County of Parkland will obtain the desired protection. We should point out, however, that nothing in the proposed agreement would force Mr. Beckett to sell to the County, but it appears to us that the County would have the right to expropriate for the purpose of construcing a public work. We must say that we have not examined the possibility of expropriation should Mr. Beckett decide not to sell the additional land to anyone, and if you would like us to look into this question, please advise. You are probably quite familiar with the County's right to expropriate, in any event. Thus, we only mention it in passing.

We understand that the Town of Drayton Valley is approaching Mr. Beckett, to see if an agreement on the above terms can be worked out with him, and we expect we will be hearing from them very shortly. It is hoped that Mr. Beckett will enter into an agreement as set out above for only a nominal consideration. The solicitors for the Town are drafting the within agreement, and will be presenting it to us at an early date.

We understand you will be in touch with us further in this regard on Tuesday.

Yours truly,

It was moved and carried that Mr. R.A. Bailey be authorized to meet with the County solicitors regarding a satisfactory agreement on the proposed school site at Drayton Valley to make provision for future expansion.

It was moved and carried that E.W. Hillyer be authorized to attend the course for Janitors at N.A.L.T. July 6th to July 10th with expenses paid.

It was moved and carried that Messrs. R.A. Bailey, Henry Toews and W.G. Wilson be authorized to attend a meeting of MEETA in the Chateau Lacombe on January 29th and 30th.

It was moved and carried that Mr. Denis Bonner's request to have the school bus come to their door be not granted.

A letter was received from the Principal of the Spruce Grove School advising that enrolments are increasing to such a point that one more teacher is required.

It was moved and carried that the request of the Spruce Grove Principal for another teacher be referred to the Superintendent of Schools for attention.

REPORT ON SCHOOL BUS

Mr. Peter Bakker submitted the following report on Mr. Troy Propp's 42 passenger school bus:

"We have a number of very young children being picked up at approximately 7:30 a.m. by Mr. Troy Propp. With a slight adjustment in his route this can be prevented. However, Mr. Propp's bus is loaded to capacity. I recommend that Mr. Propp is asked to purchase a new 54 passenger bus so that further re-arranging can be done."

It was moved and carried that Mr. Peter Bakker's report be accepted and that Troy Propp be authorized to purchase a 54 passenger school bus.

OPERATION OF CAFETERIA

The Cafeteria Committee recommends that the cafeteria cook be empowered, in consultation with Mr. B. Gabert, to engage and dismiss student help as necessary.

It was moved and carried that the report and recommendation of the cafeteria committee be accepted.

It was moved and carried that D.L. Warunky's complaint about school bus operation be referred to the school bus committee.

COMPLAINT RE SCHOOL BUS

A resident came to see the School Committee and complained that at about 3:40 p.m., Tuesday, January 13th in Stony Plain, a school bus crossed the railroad track when the lights were flashing and the bells were ringing.

It was moved and carried that Mrs. A.C. Kritzinger and Mr. Peter Bakker be authorized to investigate the complaint about the school bus crossing the railroad track in Stony Plain when the lights were flashing.

Nillie: "Where have you been these last few years?"

Millie: "I've been to school taking medicine."

Nillie: "Oh, are you better now?"

LEPRECHAUNS WIN WEEKEND PEE-WEE TOURNAMENT HERE

The first Pee-Wee Hockey Tournament ever held in Drayton Valley was a good one. The tournament marked the opening of Minor Hockey Week in this community and six teams took part and played off for top honors on Saturday and Sunday. The competing teams were from Barrhead, Leduc, Mayerthorpe, Rocky Mountain House and two teams from Drayton Valley, the Drayton Valley All-Stars and the host team the Drayton Valley Hotel Leprechauns.

Mayor T. W. D. Johnson officially declared Minor Hockey Week open with a brief address on Saturday morning. At 9:30 a.m. Mr. Johnson dropped the puck between Councilors Norman Swendseid and W. W. Rose to officially open the tournament.

The draw called for Leduc and Mayerthorpe to play in the opening game. Leduc won this one 2-1 in an interesting contest. Mayerthorpe took an early lead on a goal by Robbie Jones in the first period. Bruce Young and Mike Stewart scored for Leduc in the second session for the margin of victory with a scoreless third period. This put Leduc into the semi-final in the "A" Event and Mayerthorpe got a bye into the "B" Event final.

The second game of the tournament featured a clash between old rivals, the Drayton Valley Hotel Leprechauns and Rocky Mountain House. This one was a thriller from beginning to end. The local boys led 1-0 after one period and 3-0 after the second, then the Rocky Mountain crew came back in the third session to score three goals in eight minutes to even the score. Kevin Boulter scored the winner for the Leprechauns with less than five minutes to play. The other scorers for the Drayton Valley team were Ray Kowal, Jerry Hook and Tim Bester while Rick Janigo, Derrell Cunningham and Dale Chatwood accounted for the R.M.H. scoring. By virture of their victory the Leprechauns advanced to the "A" Event semi-final while Rocky Mountain House went on to the semi-final in the "B" Event.

In the final game of the first round of the tourney, the Barrhead Blues skated to an easy 10-1 win over the Drayton Valley All-Stars. Barrhead led 3-0 after twenty minutes, scored six goals in the second period and added another marker in the third. Scoring for the Blues were, Danny McTellan with three goals, Roger Samuel with two tallies and singles by Warren Hanillan, Shaun Enders, Roger Walder, Neil Gillis and Terry O'Brien. Lynn Mattoon scored the lone Drayton Valley marker. This gave Barrhead a bye into the "A" Event final on Sunday while the Drayton Valley All-Stars were drawn against Rocky Mountain House in the "B" Event semi-final.

This was the next game on the schedule and the Rocky Mountain boys again proved to have an explosive scoring punch by defeating the less experienced Drayton Valley team 9-1. R.M.H. led 2-0 after the first period, stretched their lead to 5-0 after two sessions and added four more markers in the final twenty minutes. Scoring for Rocky Mountain House were Darrel Cunningham with a hat trick, Randy Ponich with two markers and Dale Chatwood, Ron Kuntz, Mike Hruskka and Evan Rundell counting the singles. Lynn Mattoon scored the All-Star marker. Through this victory Rocky Mountain House advanced to the "B" Event final while the All-Stars dropped from the tourney.

In the semi-final in the "A" Event the Leprechauns met Leduc Saturday night. Drayton Valley played a strong defensive game and outclassed the Leduc team throughout to win 4-0 and advance to the "A" Event final against Barrhead on Sunday. Tim Bester scored twice for the Leprechauns while Mike Koebernick and Jimmie Novosel got the single markers in the Drayton victory.

Sunday featured the two final games of the tournament. In the "B" Event Rocky Mountain House rode roughshod over Mayerthorpe for a 12-2 victory to win the tournament in this event. By periods R.M.H. led 2-0, 8-0 and finally 12-2. Scoring for the Rocky team were Darrell Cunningham with three goals, John Bond with two and Evan Rundell, Brooks Fisher, Percy Wynn, Joe Bert, Ron Kuntz, Rick Janigo and Mike Hauskka with one point each. The Mayerthorpe tallies went to Scott McCallum and Chris Shupee.

In the "A" Event final the Leprechauns faced the Barrhead Blues in a real thriller from start to finish. Barrhead got off to a fast start and led 2-0 at the four minute mark in the first period on goals by Roger Walker and Ron Murray. The D.V. Hotel team came fighting back with Ray Kowal scoring at 5:45 and Gerry Hook getting the tying goal half way through the period. The Blues went ahead 3-2 at the 10:00 mark of the second period on a goal by Dan McLellan and took a 4-2 lead early in the third when Roger Walker scored. Kevin Boulter closed the gap to 3-2 with a beautiful goal at the seven minute mark and the Leprechauns spearheaded a spirited attack scoring two goals in the next three minutes to take the lead. Mike Koebernick tied the score and Larry Pankewicz notched the winner at 10:15. The Blues came storming back in a desperate attempt to tie the score but the Leprechauns were red hot and the 5-4 gap stood for the margin of victory in a spectacular finish.

The Leprechauns won first money, $25 and the Blues second prize, $15 while the participants in the "B" Event, Rocky Mountain House took the $10 prize and Mayerthorpe was in on the money to the amount of $5. The prize money was put up by the Drayton Valley Athletic Association.

In the three stars selection made by Tom Hutton, Jerry Hook was picked as first star, Warren Hamilton of Barrhead was star number two and Ray Kowal got the third star rating. Prizes for the three stars were donated by Drayton Hardware.

The officiating at the tournament was very capably handled by the referees from the D.V. Minor Hockey Referees Association, they were John Poloway, Elmer Madsen, Reg Samis, Neil Samis, Orest Haydey, Barry Richer, Alfred Lepp and Jack Tyler. A sincere thanks to those dedicated men for their excellent work throughout the tournament. Thanks also to Referee in Chief, Charley Davies who made the arrangements for the officiating. A note of appreciation is also extended to Doug Barnes, Mrs. Koebernick, Mrs. Pankewicz, Clayton Rosenberger Darlene Tucker, the different goal judges and each and every person who helped make this first Pee Wee Tournament the great success that it was. From this success it would be logical to assume that this tournament will become an annual event during Minor Hockey Week. It seems that we started something here.

Three stars selected in the Pee-Wee tournament are left to right, Jerry Hook, 1st, Ray Kowal, 3rd, and Warren Hamilton, 2nd. Prizes were donated by Drayton Hardware.

Councillors Billy Rose (L) and Norm Swendseid watch as Mayor Tom Johnson drops the puck to get the first game of last weekend's Pee-Wee Tournament officially under way. Facing-off are the captains of the Leduc and Mayerthorpe teams.

Garry Swendseid (L) accepts the 1st prize award for the Leprechauns and Danny McMillan receives 2nd place money on be half of the Barrhead Blues

Sincere sympathy is extended to the family of Mr. Howard Pickup of Drayton Valley, who passed away recently. Mr. Pickup had been a resident of Drayton Valley for a number of years and at the time of his death was mayor of the town. He will be greatly missed by all who knew him.

A meeting will be held on Friday evening of January 30th at the home of Mr. and Mrs. Donald Martin for the purpose of electing a board of directors and executive for the Berrymoor Cemetery Company. Mr. and Mrs. Walter Durham

Couple Celebrate 50th Anniversary

On January 23rd Mr. and Mrs. Walter Durham were honored on the occasion of their Golden Wedding Anniversary. The reception and dance were held in the Drayton Valley Legion hall. Grace was offered by Rev. Gordon Ingram.

Mr. Durham came over from England in 1900 at the age of seven, whereas his wife is a Canadian by birth, hailing from the town of Twassin, near North Bay, Ontario.

Marge and Walter were married in the Anglican Church at Kitscoty, Alberta on January 23rd, 1920.

In the fall of 1938, Marg and Walter moved from Kitscoty where they operated a freight service to Violet Grove. Francis Law, brother of the bride, was already settled in the vicinity, and had induced the couple to try their hand at farming.

In 1959, the Durhams gave up farming and moved to Drayton Valley, where in 1960, Mr. Durham took over the operation of the billiard hall. In the fall of 1969 Walter finally gave up his business and retired.

The couple's five children, eighteen grandchildren and four great-grandchildren were present for the occasion.

The couple received congratulatory telegrams from: Prime Minister Trudeau, Hon. Harry Strom, Governor General Mitchner, Lieutenant Governor Grant McEwan, and Garth and Ina Lapp of Victoria. Personal congratulations were offered by Mayor Tom Johnson on behalf of the Town of Drayton Valley.

Out of town guests included John and Florence Roper, Victoria, B.C.; Eddie and Agnes Lee, Deep Cove, B.C.; John and Theresa Hailey, Edmonton, Alberta; Len and Bessie Martin, Red Deer, Alberta; Milt and Yvonne Durham, Edmonton; Eva Wilkes, Lloydminster; Art and Simon Ram, Edmonton.

Music was supplied by Langford Park Band.

Mr. and Mrs. Durham claim that the main contributing factor to a long and happy marriage is consideration for the other partner in all situations.

To make a long story short, there's nothing like having the boss walk in.

By Mrs. Edith Deby

Mr. and Mrs. Jim Butz have just returned from a five week stay in Detroit, Michigan where they visited with their son-in-law and daughter, Mr. and Mrs. Dale Gee.

Congratulations are in order for Mr. Wally Peters who will transfer to Edmonton in February as manager of the 5th St. Treasury Branch. Both Mr. and Mrs. Peters have given a good deal of time and effort to community enterprises during their four years in Drayton Valley. The whole family will be greatly missed.

It was a pleasure to meet Miss Wong in the Ponoka Public Library on Friday and have a little chat. Miss Wong taught at St. Anthony's and transferrred to Ponoka last fall. She is comforably settled in Rex Manor apartments across from the Roman Catholic School. Miss Wong sent kind regards to all her Drayton Valley friends.

Councillor Ivan Vowk, Councillor Rudolph Zander, Mayor Tom Johnson, Mrs. Hoffman and Mrs. Nelson were among the group from this area who went to Lacombe on Friday to make a study of its Regional Library at close hand.

Neighbors and friends of the Fred Kynochs gave them a surprise house warming party on Saturday evening when upwards of 100 people gathered at the couple's new farm home. Irene Robinson and Jean and Noel Hallett provided music for the dancing. The Kynochs were given an eight piece dinner set, a stainless steel flatware set and a purse which were presented to them by Mr. Wendy Sekura on behalf of all their friends.

Congratulations and good wishes to Mr. and Mrs. Nick Urchyshyn on the occasion of their silver wedding anniversary.

Search for Talent Here February 14

SUB-MITS
FROM THE ELEMENTARY SCHOOL

Our teacher to meet this week is Mrs. Barbara Harrison. She comes to us from England where she took three years teacher training. Her two years of teaching there was in a pleasant, well-equipped school with over 40 children in a class. This is her second year of teaching here in a grade two classroom. She finds the children better behaved and enjoys the smaller classes, although the numbers are creeping up here too. When asked to comment on our system here she said "Teachers have much less independence here, especially with timetables and curriculums." She expected the schools and ideas to be much newer. Mrs. Harrison enjoys sewing, reading, cooking, eating and skiing when she feels energetic, which isn't often.

And now to tickle your funny bone here are a few boners from a grade five health test.

1. Scurvy is happy or too happy or sick.
2. Sterile means stiff, can't move.
3. Spontaneous combustion is when you are knocked out.
4. Spontaneous combustion is when you eat too much.
5. A burn from strong acid--the effected part should be released from the body.
6. Sterile is an airless.
7. Pasteurization is to pure it.
8. Pasteurization is like a farmer's pasture.
9. Radium is a hot powder.
10. Anesthesia makes a person knocked out.
11. Vaccination is Jenner's son.
12. What must you do to prevent falls on the stairway? Don't go to sleep when you are walking down.

The Legion Auxiliary are bringing Search for Talent to Drayton Valley on Saturday, February 14. Announcement was made by Mrs. Barbara Cable Convener of Search for Talent for the auxiliary, upon finalization of arrangements with officials of the Associated Canadian Travellers recently.

Mrs. Cable stated that the auxiliary is very happy to offer its support to this project because of the far-reaching impact Search for Talent has upon this community.

Search for Talent provides an opportunity for local artists, young and old, to appear on stage and to compete for the trophies presented on each show. Winners go on to the semi-finals and winners there appear on CFRN-T.V. at the finals on April 25.

The show will be held in the Frank Maddock High School commencing at 7:30 P.M. Local artists planning to compete are urged to register early at Simpson-Sears.

Elks Purple Cross Fund Available to Help Children

The Elks Purple Cross Fund was the National Fund established by the B.P.O. Elks of Canada in conjunction with the ladies auxiliary, the Order of the Royal Purple in 1956 at their Grand and Supreme Lodge Convention held in Sherbrooke, Quebec.

At that time it was felt by the delegates attending this joint convention that the B.P.O. Elks and the Order of the Royal Purple should establish a Fund to be known as their National Fund in which all lodges and all members throughout Canada would be able to participate and make voluntary contributions.

The purpose of this Fund was to be for the aid and assistance of any child up to the age of sixteen for any purpose whatsoever that would aid in that child's welfare, betterment of education or social standing.

The money from the Fund is to be made available for any child in Canada regardless of race, religion, creed or color; or regardless of whether that child lives in an area where an Elks Lodge or a Lodge of the Order of the Royal Purple is situated. The Fund will be controlled and operated by a committee chosen at each year's Grand Lodge Convention.

The money from the Fund has been used to purchase braces, crutches, medicine, medical help, transportation, education, books and many other items required by a needy child over the past thirteen years.

The Fund is to provide these services and this money when it is not available through any source or where a parent is not in a financial capacity to be able to provide these services from regular income.

Any person can make an application for assistance under the Fund by applying to the nearest Elks Lodge or to the nearest Lodge of the Order of the Royal Purple or writing to the Grand Secretary-Treasurer, B.P.O. Elks of Canada, 606 - 294 Portage Avenue, Winnipeg 1, Manitoba.

Please note, the age limit for the Fund has now been raised to the age of eighteen years.

LIBRARY NEWS

Several books were added to our collection this week. Some of them are new and some are only new to us. In the latter category we have: "A Pocketful of Rye" by Cronin and "The Home Ranch" by Moody. Both are well worth reading again. Graham Shelby is a new author. His first book "The Knights of Dark Renown" is a historical novel of the time of the crusades Your comment on it will be appreciated. If you enjoyed "A Woman of the People" and "Sam Chance" by Benjamin Capps you will want to read his latest book "The White Man's Road".

Another first novel is "Bandersnatch" and it promises the kind of excitement provided by "Von Ryan's Express".

Our readers say:

Mrs. Lois Wanagas "The Prison" by Simenon is quite good, very modern. Set in France.

Mrs. McDowell "A Certain Slant of Light" by Rickett. Boring. Didn't finish it.

Mrs. Pingert "The Flight of the Falcon" by du Maurier. Loved that book.

Evansburg C.W.L. Plans Visitation

January meeting of Evansburg C.W.L. , attended by 9 members and the director Rev. L. Gartner, was held January 23rd.

The food hamper raffled on December 20th was won by Mr. Leo Saretsky. The C.W.L. ladies thank all those who bought tickets, but didn't win.

The interfaith council requests that we hold a World Day of Prayer March 6th for all denominations. Further details will be announced later.

The annual C.W.L. convention will be held in St. Albert April 10th, 11th and 12th.

Home visitation plan has been discussed and it is hoped that a councillor will be available in this district to help those who are in need of advice.

This year the C.W.L. convention is a month earlier therefore the election of officers will be in March.

WESTERN REVIEW

THANK YOU

We deeply appreciate the many expressions of sympathy, floral tributes, charitable donations and acts of kindness during our recent bereavement. Howard was so proud of Drayton Valley, we know he would have been very moved, as we were. His last months were especially happy and meaningful for him, as he was again able to serve the community.

We would like to say a special thank you to Dr. Lewis, Dr. Belcher, Mrs. Peggy McKillop, Lenard Urchyshyn; Rev. G. Ingram and Rev. E. Martin, Bill Johanneson; the honorary and active pallbearers; the Anglican ladies who served dinner after the church service, and who assisted the Legion Auxiliary to serve refreshments following interment; Pat Turner and the Legion members who donated the use of their hall; the Rotary and Legion guard-of-honor; Chief Constable Bob Doig and the Drayton Valley Town Police and the R.C.M.P.

Eleanor, Gordon, Mark and Connie Pickup

We would like to thank the Ramona Community League for the lovely baby blanket and sleeper set our new daughter, Penny Candace, received. Also many thanks to our many friends and neighbors for their good wishes and gifts.

Vern and Pat Benjamin and family.

We wish to thank our sponsors, Dean Meraw of Meraw and McGee; Mack and Mann Trucking; Art Monroe of A.M. Plumbing and Heating, for sponsoring us in the Northern Alberta Curling Championships in Edmonton.

Marg Neil, Shirley Vowk, Lil Roos and Phyl Kupsch.

We would like to thank all our friends and neighbors for their help when our house was on fire. Also thanks to the Entwistle Fire Department.

Don Town and family.

We wish to thank all our many friends and neighbors who gave us a house-warming and for the lovely gifts.

Fred and Bev Kynoch. c
